

# CSC Fun series Race #2

Another great sailing day on the Wilmington River. Mother nature swung the winds around to the south letting the boats see the South Course for the first time. Apparently this confused one boat, we had a grounding today. All were safe and well provisioned so the only issue was they had to hang out a little longer than originally planned.

## **SPINNAKER CLASS**

The winner of race #2 was Lady In Red. Followed by Belafonte 15 minutes 1 second back. Wahoo was a start but not a finish. Dimarian missed a great sailing day but holds onto second after that great finish in the last race.

Overall standings after Race #2.

Lady In Red	3pt
Dimarian	5pt
Belafonte	6pt
Wahoo	6pt

## **NON-SPINNAKER CLASS**

Winner of Race #2 was Coaster who had to do some sailing to stay in front of Peregrine on corrected time. Only 2 minutes 26 seconds apart. Great close finishing race.

Overall standings after Race #2.

Coaster	2 pt
Perigrine	4 pt
