CSC RACING

It's finally here, Savannah area racing

The Chatham Sailing Club Race Committee would like to thank everyone for their patience, and welcome you to a fun filled race year in 2017. The CSC race series race #1 will start Sunday at 1300 in the area between Green 23 and Red 22, aka the Landings Harbor Marina entrance. We are excited to announce the inclusion of the Rhodes 19 club this weekend. The basic format will be as follows. A committee boat from the Landings Harbor Rhodes 19

program will be out early Sunday getting things ready. Between 1230 to 1300 the race committee will be checking in the boats and will take into account current weather conditions on the water and then announce over channel 72 the race courses. The Rhodes 19 will sail a shorter course with a start about 1300. The A and B class boats will start shortly there after will a longer course. Upon finishing the race the A and B boats can call the race committee boat on channel 72 and give them your boat name and “elapsed time”. Or please use the group text that Amar has set up. Just text Boat Name followed by elapsed time only (do not send a clock time, ex 13:55:02, because I won’t know when the actually clock start time was). Shortly thereafter, and email will go out will “corrected time” race finish positions. Stay safe and have a fun and fast race.
