Race #2 Saturday February 25

CSC Racing Series 2017

What a wonderful day to be out sailing. CSC would like to thank all those that came out today. Hope you had fun. CSC would also like to give a big round of applause to Gebel Seese for being kind enough to run the RC boat. Thanks Gebel.

Like to remind everyone that the next race is only two weeks away on March 11. Followed very closely by the year's first regatta. Two weeks later on March 25th the Geechee Sailing Club will host the St. Patrick's Regatta. Hope to see everyone out on the water that weekend.
